A. JOB TITLE: Power Plant Technician

B. JOB QUALIFICATIONS:

Must be 18 years or older, experience in operating and maintaining heavy equipment given preference, front-end loader experience preferred. Must be willing and able to work rotating shifts, weekends, holidays, and overtime. Ability to work independently without direct supervision. A 3rd Class Montana Boiler Operator License or equivalent is preferred, but not necessary. Safety performance and attendance are key requirements. Must be able to complete and pass pre-employment drug screen and work steps physical

C. JOB SUMMARY:

Under the supervision of the Steam and Power Plant Manager, and the Power Plant Operators. The Power Plant Technician is responsible for all duties outside the boiler control room while on duty. This includes, but is not limited to: fuel in-feed, water treatment and emissions control, making periodic fire-watch and security rounds throughout the plant site, assisting the kiln operators, greasing, oiling, ensuring proper operation of the hog and all conveyors, monitoring dam level in Trumbull Creek, assists with routine preventative maintenance, ash handling, disposal, and cleanup. Works closely with the Power Plant Operators, Plant Superintendent, Plant foremen, and Kiln Operators

D. ESSENTIAL JOB FUNCTIONS:

1. Operates front-end loader and conveyer controls to bring hog fuel into the boiler.
2. Operation and maintenance of the hog fuel conveyors.
3. Some basic water chemistry tests, including reading and logging water meters.
4. Change water and air filters.
5. Reading and logging data on water meters, gages, sight glasses, etc.
6. Assists in repairs to boiler, piping, valves, and gauges as necessary.
7. Monitors chips, sawdust, shavings, and bark and reports to the Power Plant Operator on any fuel issues.
8. Monitors the status of the truck bins and fuel storage bins.
9. Makes periodic fire-watch and security rounds.
10. Plant-wide fire protection inspections, maintenance, and repairs.
11. Ash Handling and disposal.
12. Plowing/shoveling snow and general grounds work in the Cogen/Kiln areas.
13. Works following safe operating practices.
14. Maintains a clean work area.

E. INFREQUENT/MARGINAL JOB FUNCTIONS

1. Provides a communications link during emergencies.
2. Relays messages between departments by voice, phone and written notes.
3. Assists Millwrights with major boiler and equipment repairs.
4. Able and willing to obtain a Montana 3rd class boiler license
5. Performs other duties as assigned.

F. PERFORMANCE STANDARDS

1. Demonstrates the ability to work independently, oftentimes under pressure and in changing conditions.
2. Demonstrates accuracy in water testing, treatment, and documentation.
3. Can work extended shifts on a rotating basis and adapt to changing work activities.
4. Demonstrates safe, reliable, and dependable work habits.
5. Demonstrates knowledge of and compliance with safe operating procedures, especially concerning hazards of fire, steam, and lock-out/tag-out
6. Is a valued team member.
7. Demonstrate the ability to communicate, cooperate, and work effectively with other employees and supervisors.
8. Demonstrates the desire and ability to engage in repair, maintenance, and fabrication activities.

This job description is not an employment agreement or contract. Management has the exclusive right to alter this job description at any time without notice.

IV. **COMMENTS:**

Analysis Performed by Heather Catlett, MS, CRC Date 08/17/22

EQUIPMENT (POWER PLANT TECHNICIAN)

LIFT/CARRY

<u>ITEM</u>	<u>WEIGHT</u>	<u>LEVEL LIFTED</u>
Shovel	5# empty Up to 25# with ash	Ground to waist
Broom	5#	Waist level
Scraper bar	15#	Ground to waist
Salt (bags)	50#	Ground to shoulder
Wheelbarrow handle	75#	Knee to waist

PUSH/PULL

<u>ITEM</u>	<u>FORCE REQUIRED</u>
Loader	Up to 10#
Draft	15#
Fuel gates	25#
Levers for blowdown valves	27 - 75#
Wheelbarrow	30#
Damper	35 - 100#
Scraper (cleaning grates)	Up to 50#

***Lifts/carries over 50# are assisted when/where possible by use of cart, hoist, forklift, crane or coworker assistance. All lifts/carries over 75# are with device or coworker assistance ***
